

Open Enrollment Guide For Plan Year 2012

I. B. E. W. - Local 77

October 3 to October 31, 2011

City of Seattle
Personnel Department

Letter from David L. Stewart, Personnel Director

October 2011

Dear Members of the International Brotherhood of Electrical Workers Local 77:

Open Enrollment is your annual opportunity to evaluate the benefits you have, review upcoming program changes, determine your coverage needs for next year and make appropriate benefits changes. This is also a good time to review your life and Accidental Death and Dismemberment insurance beneficiaries and enter your Employee Giving choices. **Changes you make between 8:00 am on October 3 and 5:00 pm on October 31 will be effective January 1, 2012.**

There are no medical, dental or vision plan changes for your group. Please note that long-term disability rates reduce by 15% starting January 1, 2012.

Please take the next few weeks to review your family's insurance needs. Read through the Guide to be aware of your benefits, plan features and monthly contribution requirements before making your choices for 2012. Review your family's health and dependent care expenses and identify likely needs for next year. Consider (re)enrolling in a health or dependent care Flexible Spending Account (FSA) to save money.

Benefits staff and plan providers will be available to answer questions at the benefits fairs in October. You can also contact your department's benefits representative. If you do not make any changes, your current coverage will continue in 2012, except for the FSAs -- to continue your Health Care and/or Dependent Care FSA, you must re-enroll.

Sincerely,

David L. Stewart
Personnel Director

If you have difficulty understanding the information in this Guide

Help is available if you have trouble reading or understanding this Guide. If the problem you have is not addressed below, please call the City Benefits Unit at 206-615-1340 so we can provide the assistance you need.

- **English is Your Second Language?** If English is not your native language, translators are available to help you. Many City employees have volunteered to translate for fellow employees. To find someone who “speaks your language” click here inweb/LanguageBank/LB_Lookup.asp. Inside the light blue box, click the arrow next to the white box and find the language you speak. Click the GO button. You will find a list of employees who speak that language. If the “Translate” box contains a “Y,” that person will translate for you. Call and find a time he/she is available; make an appointment with the City Benefits Unit (206-615-1340) and bring that person with you. Together we’ll help you understand your City benefits.

If you do not have access to a computer, ask your Department’s HR/Benefits representative to help you, or call the Benefits Unit at 206-615-1340.

- **Hearing Impaired?** If you use a TDD, the City provides translation services. Call 7-1-1 or 1-800-833-6384 on your TDD. You will be connected with the Washington Relay Service. Give them the number of the party you wish to call. They will call the person for you, then translate information from your TDD to the person you are calling.
- **Visually Impaired?** This Guide is available in a larger font. To request an electronic copy, contact the Benefits Unit at 206-615-1340.
- **Would rather *hear* the information than *read* it?** If your understanding is improved by having someone read or paraphrase information for you, you are invited to attend a benefits orientation. Orientations cover all City benefits and provide ample time for questions. You can meet with the presenter after the session if you have additional questions or questions you would like to ask confidentially. Orientations are held every week - call 206-615-1340 to sign up.

If you have further questions or concerns or would like to speak to someone confidentially, call the Benefits Unit (206-615-1340).

2012 Plan Changes

Long Term Disability Plan -- Monthly rates reduced by 15%

Health Care Reform Notice -- Grandfathered Plan Status Disclosure

The City of Seattle Aetna and Group Health medical plans are “grandfathered health plans” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered status can be directed to Central Benefits at (206) 615-1340.

Enrollment Options

The plan and dependent coverage elections you make now are for the 2012 plan year. According to IRS Section 125 regulations, you cannot change your elections outside of open enrollment period unless you have a qualifying change in family status. Your enrollment options for 2012 and the consequences of your decision are described below.

ACCEPT medical coverage for yourself and eligible family members by making changes through Employee Self-Service or completing and submitting a Health Care Benefit Election Form. If you do not make changes, your plans will remain the same, and you will pay the designated premium amount.

DECLINE medical coverage for yourself and/or family members (you may not decline dental or vision coverage).

- If you have no other medical insurance, you will NOT be eligible to enroll in a medical plan until the next annual Open Enrollment unless you have a qualifying change in family status as defined in the Change in Family Status/Dependent Eligibility section. Enrollment must take place within 31 days.
- If you have other medical coverage (you may not decline dental or vision coverage) and lose your other coverage, you may enroll in a City medical plan within 31 days of the loss of the other coverage upon providing proof of continuous medical coverage.
- If you have a qualifying change in family status, you may enroll or dis-enroll your eligible dependents within 31 days (or 60 days for a newborn or newly adopted child) of that change.
- If you declined City coverage and leave City employment or go on a leave of absence, you will not be eligible to obtain your medical, dental, or vision coverage through the City under the federal COBRA law subsequently. However, if you retire you will be eligible to enroll in a City retiree medical plan.

Premium Sharing

The table below shows your monthly premium contributions for 2012. Premium contributions will be divided into two equal payments and taken from the first two paychecks of the month. Your premium contributions will be deducted on a pre-tax basis

If your domestic partner/same-sex spouse or your partner's non-IRS tax dependent's children do not qualify as your IRS tax dependents, you will also be taxed on the City-paid **value** of their medical, dental and vision coverage as required by IRS regulations. The following amounts will be listed on your paycheck as taxable income and are subject to federal income and Social Security tax withholding. These values have been adjusted to reflect the premium amounts taken after-tax (as explained above) so you are not taxed twice.

Changing Your Plan Choices Outside of Open Enrollment

You may only make changes to your benefits elections outside the open enrollment period, if family status changes occur in your family. The changes you can make depend on the status change, and must be consistent with it. Call your department's HR representative, or the Central Benefits Unit (206-615-1340) for more information.

Changes in family status are defined as:

- Birth, adoption, placement of a child, or legal guardianship.
- Loss of a child, spouse, or domestic partner's eligibility under another health plan.
- Marriage or formation of a domestic partnership.
- Divorce, termination of a domestic partnership, or legal separation.

Eligible Dependents

You must be enrolled before you can enroll your dependents. Dependents eligible to be covered under the City's benefit programs are:

- Your spouse or domestic partner.
- Your biological or adopted children, your spouse or domestic partner's children, or any child for whom you are the legal guardian. The child must be under age 26 and not have access to medical coverage through their own fulltime employment.

To cover a spouse/domestic partner, you must complete an Affidavit of Marriage/Domestic Partnership, available from your HR or Payroll Representative and online at personnelweb/benefits/library/forms.aspx. You may need to provide proof of legal guardianship for dependent children.

If the premiums for a domestic partner, same-sex spouse, or partner's child are taken after taxes, you may drop a domestic partner, same-sex spouse or partner's child any time (without a change in family status) if he/she is not claimed as your IRS tax dependent.

Flexible Spending Accounts

The City offers two kinds of flexible spending accounts (FSA) – health care and dependent care.

Health Care Flexible Spending Account (FSA)

You can set aside from \$300 to \$5,000 of pre-tax earnings each year to pay for out-of-pocket expenses such as dental/orthodontia care; medical, dental and vision copays, deductibles, coinsurance; eye wear, massages, or any IRS-eligible health care expense. Amounts set aside in the health care FSA reduce your taxable income and taxes.

Note: Beginning in 2013, health care flexible spending account annual maximums will be **reduced** from \$5,000 per year to \$2,500, in accordance with Health Care Reform. The change in 2013 *may impact your contribution decisions for 2012* as you plan for your family's health care needs and estimate your out-of-pocket health care expenses for the next few years (examples: orthodontia, elective surgery).

How the Health Care FSA Plan works:

- You select the amount per month you wish to set aside as a payroll deduction, from \$25 per month or \$300 per year to \$416 per month or \$5,000 per year.
- The amount you select is deducted from your paycheck BEFORE federal income and Social Security taxes are taken out.
- As you incur eligible expenses, you:
 - Submit your itemized receipts and reimbursement form to the City's FSA plan administrator (Benefit Administration Company) for reimbursement by check or direct deposit; and/or
 - Use your health care FSA debit card to purchase health care items, while retaining all your receipts.
- You must sign up for the health care FSA to participate in the program and **re-enroll each year** during open enrollment. Even if you are participating this year, you must re-enroll to participate in 2012.
- If you currently have an FSA debit card and will enroll in the 2012 health care FSA, retain your card. The expiration date is printed on the front of the card.
- In order to request a new FSA debit card, call Benefit Administration Company at 206-625-1800, extension 307 or email flexcs@baclink.com. The card will arrive in 8 – 10 business days by U.S. mail.
- Your dependents' health care expenses are also eligible for reimbursement. (Domestic partners/same-sex spouses and their children must meet the IRS dependent eligibility criteria to qualify under the FSA.)

Dependent Care (Day Care) Flexible Spending Account (FSA)

The City offers the Dependent Care FSA to help make day care expenses more manageable. By using the dependent care FSA to pay for care for 1.) children under age 13 or for 2.) any other tax dependent person who is physically or mentally incapable of self-care, you can reduce your taxes. (Please refer to IRS Publication 503 for eligible dependent care expenses.) Here's how it works:

- Set aside earnings each month on a pre-tax basis through payroll deduction for planned dependent care expenses. Contribute as little as \$25 a month or as much as \$416 a month (\$5,000 maximum per family).
- The amount you select is deducted from your paycheck BEFORE federal income and Social Security taxes are taken out.
- When you have an eligible dependent care expense, you submit a paid receipt or invoice to Benefit Administration Company and are reimbursed for the expense, up to the amount currently in your account.
- You must **re-enroll** each year during open enrollment to participate the following year.

For more information go to personnelweb/benefits/optional/flexible.aspx. Go to Employee Self-Service to (re) enroll. Only use the form at the back of this booklet if you *do not* have access to ESS.

Optional Insurance Plans

Long Term Disability (LTD)

As part of your City benefits package you receive Basic Long Term Disability coverage to provide you with 60% of the first \$667 of pre-disability earnings per month if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will combine with other income sources, if any, to pay you up to \$400 per month after a 90-day waiting period while you are unable to work.

Note: Long Term Disability premiums will be reduced by 15% starting January 1, 2012.

Supplemental LTD

You may add to your Basic LTD coverage during open enrollment by purchasing Supplemental LTD coverage. The Supplemental LTD benefit will combine with other income sources, if any, to provide 60% of your monthly base pay over \$667 (up to a maximum of \$8,333 monthly base pay) for a total benefit of up to \$5,000 per month.

If you are adding Supplemental LTD coverage more than 31 days after your hire date, you are considered a late enrollee into the plan and a Pre-Existing Condition Exclusion applies. If you become disabled within a two year period following the new coverage date with a condition you were treated for during the six month period prior to Supplemental LTD coverage, it will never be covered under the Supplemental LTD plan.

For example, Abby Smith has worked for the City for five years and decides to add Supplemental LTD coverage during fall open enrollment. She has been treated for a heart condition for at least six months; if Abby files an LTD claim in the next two years from the date the new coverage begins related to her heart condition, she will be eligible for the basic LTD, but never for the Supplemental LTD benefit. If she files a claim related to a condition for which she had not been treated six months before the new coverage date, Abby may receive full benefits.

If you are currently eligible to receive a retirement benefit, you may not want to purchase this coverage because the maximum LTD benefit you would receive would be \$100 per month if you elect to receive a retirement pension.

How Much Will Supplemental LTD Coverage Cost?

The cost for this additional level of earnings protection is figured according to the following formula:

1. Subtract \$667 from your base monthly pay.
2. Multiply the remaining amount by .0065.

For example, if your base pay is \$2,000 per month, your monthly premium would be \$9.99/month (\$2,000 - \$667 = \$1,333 x .0065 = \$8.66/month). Your monthly cost and potential benefit increases each time your pay increases.

Group Term Life (GTL) Insurance

Benefit choices include three levels of optional term life insurance: Basic GTL, Limited Basic GTL, and Supplemental GTL. The City and you share in the cost of Basic GTL or Limited Basic GTL, while you pay the full cost for any Supplemental Life Insurance. The Group Term Life Insurance Election Form is on the Personnel Department at personnelweb/benefits/library/forms.aspx, or available from your Human Resources Representative.

Basic Term Life Insurance

This optional coverage provides you with a term life benefit amount equal to 1.5 times your annual salary. The City contributes 40% of the cost and you pay the other 60%.

Your coverage amount is equal to your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.066 times each \$1,000 of coverage. For example, if your salary is \$25,500, round it up to \$26,000. Your coverage amount is \$39,000 (Calculation: $\$26,000 \times 1.5 = \$39,000$). Your premium is \$2.57 per month (Calculation: $\$0.066 \times 39$).

Remember, if you are not a new employee, but you want to apply for Basic Group Term Life Insurance during Open Enrollment, you must complete a Medical History Statement and return it with your Group Term Life Insurance Election Form. Medical History Statements are available from your Department's Human Resources Representative or the Benefits Unit.

The following table shows the monthly cost of Basic GTL insurance and the amount you are eligible to buy based on annual earnings.

Limited Basic GTL (benefit limited to \$50,000):

The value of any life insurance coverage depends on your age (and associated risk of death) and the amount of the coverage. IRS rules state that the value of any Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. Because the City pays 40% of the cost for your Basic GTL, you may owe taxes on your Basic Life Insurance coverage. If you do, the amount (value) on which you pay taxes will be shown on your second paycheck stub each month under the section titled "Other Benefits and Information." To avoid the additional taxes, you may limit your Basic GTL coverage to \$50,000 by signing a notarized Waiver form available from your department Human Resources Representative and completing and submitting the Group Term Life Insurance Election Form. The form is available at the Personnel Department InWeb site or from your department's Human Resources Representative.

Supplemental Group Term Life Insurance (GTL)

The City offers Supplemental GTL as an additional option. As long as you are enrolled for Basic GTL, you may purchase this extra term life insurance for yourself and for eligible family members; however, in order to cover your family members, you must enroll yourself, subject to various election rules. You pay the entire cost for Supplemental GTL coverage.

- You may purchase Supplemental GTL for yourself up to 4 times your base salary. The Supplemental coverage amount is rounded down to the nearest \$5,000. For example, if your salary is \$34,000, you should already have \$51,000 in Basic coverage (\$34,000 times 1.5). Then if you purchase two times your base salary in Supplemental coverage, your Supplemental coverage will provide an additional \$65,000 in coverage (\$68,000 rounded down), for a total of \$116,000 in Life insurance coverage on yourself through the City. If the amount of Supplemental GTL when added to the amount of your Basic GTL would exceed \$500,000 you will need to complete and submit a Medical History Statement.
- To elect life insurance for your family members, you must be enrolled or have applied for Supplemental GTL for yourself.
- You may purchase Supplemental GTL for your spouse/domestic partner in multiples of \$5,000 up to a maximum of 50% of the amount of Supplemental GTL coverage you purchase for yourself. For example, if you purchase \$120,000 of Supplemental GTL for yourself, you may purchase up to \$60,000 of Supplemental GTL for your spouse/domestic partner. (There is no Basic Life insurance coverage for your spouse or partner.)
- You may purchase Supplemental GTL for your children equal to \$2,000, \$5,000 or \$10,000 for each child. Children may be covered until their 25th birthday.

Costs for Supplemental GTL for you and your spouse/domestic partner are based on your age (and associated risk of death) and the amount of coverage. Costs for covering eligible children are fixed and the monthly premium is the same regardless of how many children you cover.

Rules for Electing Life Insurance

1. Unless you are a new employee, if you sign up for Basic and/or Supplemental GTL during this open enrollment period, you will need to complete and submit a Medical History Statement. To elect life insurance for your family members, you must be enrolled or have applied for Supplemental GTL.
2. If you want to purchase Supplemental GTL for your spouse/domestic partner, he/she will also need to complete and submit a Medical History Statement. If you are a new employee, a Medical History Statement is required for your spouse or domestic partner only for coverage in excess of \$50,000.
3. If you want to purchase Supplemental GTL for your child(ren), no Medical History Statement is needed.

Accidental Death and Dismemberment (AD&D) Insurance

To supplement your Basic and Supplemental Life Insurance, you may purchase AD&D Insurance for yourself, your spouse/domestic partner, and/or children. AD&D Insurance pays a death benefit (full insurance amount or “principal sum”) if the insured person dies due to an accident or a percentage of the principal amount if the covered person loses a limb(s) due to an accident. For example, a person who is covered by AD&D Insurance would receive 50% of the full insurance amount if he/she lost a limb from an injury relating to an accident. This coverage may be purchased in addition to or instead of Basic and Supplemental Life Insurance.

You can add or change your AD&D coverage by completing and submitting an AD&D Insurance Election Form or making the changes on line. The form is available on the Personnel Department InWeb page (at personnelweb/benefits/optional/add.aspx or at personnelweb/benefits/library/forms.aspx), or from your department’s Human Resources Representative.

Employee Only Coverage

You can cover yourself for amounts from \$25,000 to \$500,000 (in \$25,000 increments).

Family AD&D Coverage

If you elect Family AD&D coverage, the amount of coverage for your covered dependents/domestic partner is a percentage of your coverage amount as shown below:

Coverage when Covered Dependents include:	Spouse/ Partner coverage amount relative to covered employee's coverage amount	Each Child's coverage amount relative to covered employee's coverage amount
Spouse/DP Only	60%	Not applicable (0%)
Spouse/DP & Children	50%	15%
